True Value.

Store Planning and Design

True Value is a leading national chain of home improvement stores. We are currently seeking qualified individuals to join our team. The successful candidate will be responsible for the design and construction of new True Value stores. This position requires a strong background in retail store design, construction management, and project coordination. The candidate will work closely with the True Value corporate design team and local store managers to ensure the timely and successful completion of new store projects. The candidate will also be responsible for the ongoing maintenance and improvement of existing stores. The successful candidate will be a self-starter with excellent communication and organizational skills. The candidate will be responsible for the design and construction of new True Value stores, including the layout of the store, the selection of fixtures and equipment, and the coordination of the construction process. The candidate will also be responsible for the ongoing maintenance and improvement of existing stores. The successful candidate will be a self-starter with excellent communication and organizational skills.
