48	John C. H. Studdert-Kennedy	On the Nature of the Self	471-480
49	John C. H. Studdert-Kennedy	On the Nature of the Self	481-490
50	John C. H. Studdert-Kennedy	On the Nature of the Self	491-500

The site plan illustrates the layout of the existing site. It features a large rectangular building at the top right, a smaller rectangular structure below it, and a long, narrow building extending towards the bottom left. A curved road or driveway leads from the bottom left towards the center of the site. The entire area is enclosed by a perimeter fence. In the bottom right corner, there is a small, shaded rectangular area representing a specific feature or structure.
