SEATING PLAN

The Contractor Documents shall consist of all drawings, specifications, surveys, with reports, estimates and other information as provided in the General Conditions of contract as a whole. None of this information or drawing should be taken in isolation or "read out" from the contract. The Contractor shall be responsible for the interpretation of the contract documents to ensure the proper use of the contract. Any discrepancy or conflicting information not brought to the attention of the Architect prior to submitting a bid shall be interpreted at the sole discretion of the Architect.
