CONSULTANTS

NOTE:
Bid documents should not be expanded or broadened in detail and/or to delineate specific bidder as responsible for all portions of the documents that pertain to the work covered by bid-sub. Bidder cannot be held responsible for all portions of the documents that are not part of the scope of work defined by bid or as bid-bid.

Conflicting instructions or omissions found in the construction documents could be brought to the attention of the architect immediately so that questions and concerns may be clarified by addendum. If no addendum is issued, the architect reserves the right to assume that the best interpretation of all intent of the project requirements.
